## CITY BEAUTIFUL PLAN IS MEETING WITH OPPOSITION

Business Men are Not Unanimous in Endorsing the Four Weeks' Campaign.

The determination of the Chamber of Commerce to bring a city beautiful campaign here for four weeks at a cost of \$500 to show how the city really looks better looking is not meeting with unanimous approval. One business man was very much opposed to the scheme when he heard on Saturday.

What is the sense of going out town for a man to do a thing when we can do it as well ourselves, he asked. Why not keep that \$500 here in Connellville and see about making it beautiful along our own lines.

He went further and outlined his plan of how to do it. Merchants, he said, would be glad to contribute a part of the cost for the use of the who wish to improve their gardens, paint or other materials that might be necessary to beautify residences, but so far as contributing money to make a stranger here to tell how the plan should be carried out, he declared he did not believe it would be done.

It is bad enough to bring in outside talent for this work, said another business man, but when the Chamber of Commerce goes to a charitable for advice it becomes almost funny. Did you ever see a charity case look a little better than it does now?

He said that he thought the plan was a good one, but that he did not believe it would be done.

## SOUTHWEST KEEPS TRAINS

None on Branch Included Among Those Dropped by Pennsy.

Though the Pennsylvania railroad announced that several trains running in and out of Pittsburgh would be discontinued after March 1, the Southwest branch of Connellsville has received word that none of the Southwest branch will be changed at least for the present.

There was much speculation as to whether the train running here at 8:10 and returning at 11:15 A. M. which is used extensively by persons returning from the city in Pittsburgh, would be discontinued, but happily reveals the fact that it is to remain on the schedule.

A column of an article has, as usual, been dropped by the Pennsylvania railroad. The article was dropped by the Pennsylvania railroad.

## MAN FOUND AFTER A LONG SEARCH KILLS HIMSELF

Charles B. Snyder of Perryopolis, Only Home a Few Weeks, Commits Suicide.

Returning from church with his mother at noon yesterday, Charles B. Snyder was found in the room at the home at Perryopolis. When he did not come to dinner his mother, Mrs. Adam Snyder, in company with his father, found him in the room. He was found with a knife in his back, and he was dead.

Mrs. Snyder and her son, who was found in the room, were the only ones at home. They drove to St. John's Catholic church about 1 mile and a half from home, returning at 12 o'clock. A half an hour later Snyder's dead body was found in the room at the home.

Deceased, who was 16 years old and unmarried, had been partly demented for the last six months, but on his return at his home, he seemed to be improving. He used to other better to complete his education and participate in his father's business.

Mrs. Snyder quickly cut him down and summoned Frank Strawn and O. Smith, who carried the body to the hospital. He was carried by his father, Mr. and Mrs. Adam Snyder, two sisters, Anna and Mary, and three brothers, Anthony and James of Pittsburgh, and Edward of Ohio.

## There's a Reason For Aches and Pains

On some unsuspected habit, such as cold drinking is the root of the trouble.

The average coffee drinker who suffers from sleeplessness, headache, indigestion, nervousness or heart trouble usually says, "Coffee doesn't hurt me," until some day Nature punishes him up with a jerk.

# POSTUM

in place of coffee, has put many a man and woman on the Road to Wellville.

Postum is made of prairie wheat and a small portion of molasses. It has a delicious, rich, creamy flavor, but none of the drugs, "sedative" and "stimulant" which make other health destroyers.

If your own judgment leads to a trial of Postum, for say 10 days, and you begin to sleep soundly, digest food better, and your nerves get steady, these signs of returning health will show.

## "There's a Reason" for POSTUM

Postum now comes in two forms.

**Regular Postum**—must be well boiled. 15c and 25c packages.

**Instant Postum**—a soluble powder. A teaspoonful, stirred in a cup of hot water, makes a delicious beverage instantly. 30c and 50c tins.

The cost per cup of both kinds is about the same.

Sold by Grocers everywhere.

ECZEMA 25 YEARS  
FACE A MASS OF IT

Says "Resinol Cured Me of One of the Worst Cases Anybody Ever Saw"  
Philadelphia, Pa., Sept. 20, 1912.—I had eczema for the last twenty-five years and have been afflicted so badly that for weeks I could not go outside the door. My face was one mass of pimples, and not only the looks of it but the itching and burning pains I experienced were just dreadful. I lost a great deal of sleep and had to keep dampened cloths on my face all night to relieve the pain. I had become disgusted with trying different things.  
"One day I made up my mind to try Resinol and after using one jar of Resinol Ointment and one box of Resinol Soap I saw the difference and now my face is as clear as crystal and I certainly don't need to be ashamed to go out. Resinol Soap and Resinol Ointment cured me of one of the worst cases of eczema I ever had. That anybody ever saw. (Signed) Mrs. C. Hallmuth, 114 1/2 West Street.  
Try Resinol your self and see how quickly it is itching at us and stubborn eruptions disappear. Resinol Ointment and Soap are sold by all druggists. For free trial write to Dept. 19 W. Res. Co., Baltimore, Md.

## 1914 White Sale of Underwear

Needless to say the muslin underwear in this February sale is fresh as newly fallen snow, exceedingly well made and attractive. More attention than ever has been paid to shapeliness, to daintiness and to the application of trimmings, and to the careful sewing on of buttons. Every year the store insists that the White Sale shall reach a higher standard. Materials of the whitest and freshest; buttons of first quality; stitches so many to the inch; inside finish perfect. Above and beyond these are the styles and the new ideas.

It's a matter of using good judgment in making selection from manufacturers known for the quality of their goods.

There is, first of all, the keenest competition among makers at this time—a more determined effort to get new trade, and to hold that already won. The materials and trimmings used are purchased at lower prices because of the great quantity needed. Then, too, there is a closer paring of profit on their part and on our own, to our customers' great advantage.

The main concern is to keep quality up to the Wright-Metzler standard.

## The Remodeled Second Floor "Built for Better Service"

is enlarged and re-arranged beyond recognition. The old floor has been modernized to keep pace with a business going ahead rapidly. The old boundary lines—front and west side—have been pierced and through one archway the millinery room went forward into larger quarters; to the west a wide arch admits one to the big carpet room with its splendid floor coverings and like things spread out for more than a hundred feet. The division of suits, wraps, dresses, etc., overflows into the old millinery room. A long line of dust-tight modern suit compartments and fitting rooms, resembling the state-rooms of an ocean liner, are arranged along the wall which divides this part of the store and the new carpet room. Corsets will be found, with the fitting room adjoining, against the east wall. The infants' shop is near the corsets. The old suit section is now occupied by domestics, knit underwear, art needle work, bedding, etc., from the first floor. These departments begin at the top of the stairway. The whole is spic and span in new paint, new floor coverings, new fixtures and conveniences—the most modern, best ventilated, lightest, brightest, largest, selling place hereabouts.

## The Dry Goods Store

Notebook Sketches of the in-coming of fashionable textures for Spring appareling; and of certain merchandise specially priced during the Celebration Sale of White on the floor above.

683 yards of Shadow Laces, with bands to match, are in 2, 2½ and 3 inch widths at 12½, 12½ and 12½ yard

The price is under regular by reason of a bit of luck in securing a lace maker's surplus overlots. The laces are sheer and exceptional and the limited collection will quickly fade away. Look sharp if you wish to share.
